Race 2 SOLAR1 ELECTRICAL MAIDEN PLATE 1600 metres:

Russian Firebird Change of tactics. Connections advised it was intended for the gelding to be ridden more forward if circumstances permit. Settled handy.

Gold Decree Began awkwardly. Eased down from the 200m. Rider Jye McNeil reported that the gelding felt uncomfortable in its action in front. A post-race veterinary examination revealed no abnormalities. Stewards will follow up with the stable. Race 4 LADBROKES BIG BETS COPY NOW MAIDEN PLATE 1100 metres:

Prior to correct weight connections of Royal Duck (2nd placegetter) lodged an objection against Stakes being declared the winner on the grounds of alleged interference over the concluding stages. After taking evidence from all parties, it was established that near the 50m Royal Duck and Stakes made contact, which resulted in both runners brushing on a number of occasions over the concluding stages. As Stewards were of the belief that the initial contact was a consequence of both runners shifting ground, they

could not place sole responsibility on Stakes and as a result could not comfortably be satisfied that had the incident not taken place, that Royal Duck would have finished in front of Stakes and therefore dismissed the objection.

Stakes Slow to begin. Near the 50m made contact with Royal Duck due to both runners shifting ground, then brushed with that runner on a number of occasions over the concluding stages.

Rider Daniel Stackhouse reported that the mare failed to travel throughout the event and was disappointing. A post-race veterinary examination revealed no abnormalities. Stewards will follow up with the stable.

Steamy Mist Raced keenly in the lead. Apprentice Rose Hammond reported that as a result of the mare overracing, it failed to finish the race off.

Ginas A Star Rider Jye McNeil was reminded of his obligations to ride his mounts out to the line fully. In considering the matter Stewards did not believe his actions had impacted the result of the race.

National Code - When questioned, apprentice Nadia Daniels reported that she was instructed to allow her mount to settle where it was comfortable. She added that after beginning only fairly she was concerned that her mount would be left racing wide if she attempted to go forward and she therefore restrained it to obtain cover towards the rear of the field.

Jaskier Slow to begin. Rider Cory Parish reported that it has always been the intention to be positive on the gelding, however it has a tendency to miss the start and as a result today after beginning only fairly, he was positive on his mount which then raced keenly, taking up the lead with little effort in part due to the lack of early speed in the event.

In assessing penalty, Stewards took into account his guilty plea, record, the totality of his whip use and that his mount placed 3rd.
